MEMORANDUM FOR THE DEPUTY TO DCI FOR NATIONAL INTELLIGENCE
OFFICES

SUBJECT: Symposium on Soviet Military Doctrine and Strategy

1. The Defense Intelligence Agency is planning to host a two phase conference on Soviet military doctrine and strategy during the January - March 1975 time frame. The Agency invites your active participation in this project.
2. The purpose of the conference is to create a forum in which views on major issues of Soviet doctrine and strategy can be aired and defined for further study.
3. A preliminary meeting at the analyst/action officer level is planned for 22-24 January at the National Military Intelligence Center (NMIC) conference room. The purpose of this meeting is to develop an agenda and a proposed list of invitees for the March symposium. A tentative agenda for the January meeting is enclosed for your study and comment.
4. The second phase is to be a high level (General Officer/ Super Grade) conference, tentatively scheduled for late March at the Alternate National Military Command Center, Fort Ritchie, Maryland. This conference will include participants from the academic community and defense contractors as well as from within government.
5. My representatives for this project are MAJ John A. Le Febvre and Miss Susan Salisbury who can be reached at (202) 692-6341/6346. Request that you provide them in the near future with the name of your point of contact for this project. All further arrangements for the conferences will be handled through them.
